Jim Staley

For the second year in a row the Red Devil golf team, led by Scott Brown, Randy Coldren, Jeff Staley, and Jim Staley, had one of the best won-lost records in the school. The team posted a 22-6 mark.

The 1973 Sectional Golf Title also came to Arlington for the second year in a row. With two lettermen and a host of other young players coming back, next year looks like another good year for golf.

The golf team was coached by Gerald Wagner.

CRATES FUNERAL HOME

"We need those men and women who are trained in the liberal arts tradition—those whose minds are drawn to the larger questions of society's future and its well-being."

—John J. Powers, Jr.
former president and board
chairman of Pfizer International

It's in the liberal arts tradition that you are challenged to find out who you are, what you consider important, why you act the way you do. And the most effective creative people are those who understand themselves.

At Findlay College your education is built around the liberal studies program—courses that challenge you to answer questions of values, personal goals, society's direction.

Consider your contribution to the world. If a liberal arts education is for you, think about Findlay College. Write to the director of admissions for more information or call (419) 422-8313. We can arrange campus tours or an overnight weekend visit.
